### Overview

## About Kelley Gandurski

**Kelley Gandurski** is an executive and legal professional who has spent her career in both the public and private sectors, in traditional legal practice and executive city management. She has represented local governments such as the City of Chicago and the City of Evanston in all aspects of municipal law, operations, and crisis management.

Kelley began her career in the City of Chicago Law Department practicing in civil prosecutions and defense matters. She was recruited to private practice and worked for a number of years on municipal, commercial, and subrogation and tort cases (plaintiff and defense), practicing in multiple states (in both federal and state court). Kelley has been the lead attorney on several jury and bench trials throughout her career.

In 2016, Kelley returned to the City of Chicago as a Supervising Attorney in the Municipal Prosecutions Division. She was then appointed by the Mayor of Chicago to be the Executive Director of Chicago Animal Care and Control, where she managed a department of 80 employees (union and non-union), as well as over 300 volunteers. Kelley and the Department garnered worldwide accolades in the handling of numerous high-profile matters.

In 2020, the City of Evanston recruited Kelley to become the City's Corporation Counsel. After successfully managing the City through the COVID-19 pandemic, Kelley was asked to become Deputy City Manager, overseeing four municipal departments. Upon the previous City Manager's departure in 2021, the Evanston City Council appointed Kelley as the Interim City Manager, overseeing all aspects of

governmental function for the City of Evanston. In this role, Kelley combined her legal and executive expertise to create multiple systems for efficient operations, managing personnel matters, creating space for community dialogue, reporting to the City Council on all aspects of City operations, and steering to passage the City's

\$360 million budget. Kelley also lead her team in creating and securing City Council passage of the City's \$43 million plan under the American Rescue Plan Act.
